

The 2010s

(start) X

Cybernetic Interface

P

Reaching for the Stars

P

Colonization of Mars

P

The alien attack destroys civilization on Earth.

P

Governments attempt to reassert power

P

The Tribal Era

P

The Campaign Begins

(end)

The Second Space Race

E

False-Reality Addiction

E

Manned spacecraft reach every major body in the Solar System.

E

Pirate colonies spring up in remote parts of the Solar System.

E

Earth governments unite to resist alien attack.

E

Floating balloon relays facilitate communication.

E

The Rocky Mountain Confederacy dissolves over the "Slavery of natural humans" question.

E

United Federation of California establishes first post-alien listening pose in space.

E

India & U.S. establish joint helium-3 mining colony on the Moon

E

Cybernetic Viruses Lobotomize Thousands

E

Outer Space Treaty dissolved.

E

Interplanetary trade between Mars & Earth employ fighters to stop space piracy.

E

Q: What happens when the Earth forces resist?
A: A large alien ship is brought down in southern Illinois.

S

President of the United States announces preparation for the Second Coming of Christ.

E

Mexico declares war on the Republic of Texas.

E

The New Scientologists capture the President of Mexico.

E

Strange, perfectly spherical objects with crystalline structures fall from the sky with no explanation.

E

Human Consciousness transferred to robotic bodies

E

NEO observation post established on Enceladus.

E

Interplanetary defenses lost.

E

Earth's 100 most populous cities are destroyed.

E

Tactical nukes employed against the New Mexico Free Tribal Association.

E

Drug cartels assert control over South America. Tens of thousands slaughtered.

E

The Iowa Farmers Empire makes use of green technology to plow fields.

E

Q: What does the world do about virtual immortality?
A: Local legislation varies.

S

Manned mission to Pluto disappears with no explanation.

E

Contact is lost with the Mars colony.

E

Key resource for powering cybernetic bodies is lost.

E

Conclave of Cosmic Harmony attracts followers to the Pacific Northwest to worship the aliens.

E

A cache of alien technology is found in northern Minnesota.

E

Religious conservatives campaign against cybernetic bodies.

E

Q: What happens when an alien artifact is found on Pluto?
A: Aliens murder the scientists.

S

Q: What happens when the aliens blast the center of the Mars colony with a plasma weapon?
A: Mars colony's power, communications, & atmospheric plants are destroyed. Survivors are cut off from Earth but the colony is still habitable.

S

Rogue Nations launce secret nuclear arsenals at terrestrial enemies.

E

Using technology from crashed alien ship, the Government of the Midwest sends an invasion party to Mars.

E

Alien subversives attempt to xenoform the Earth.

E

Cooperative international mission launches cybernetic explorers to circumnavigate the Solar System.

E

Q: What happens when rogue nations attack?
A: Missile defenses neutralize most missiles.

S

Newly awakened AI on Moon base sends robotic emmissaries to Earth.

E

Decentralized nature of the internet allows it to survive.

E
